## Presidential Message

### Dear Colleagues and Clinic Owners:

I would like to thank all of you for allowing me the opportunity to serve on the Board this past year. I can honestly say the Board has evolved since my last tenure.

Congratulations to Dr. Wells on his return to the Board for four more years. I charge each of you to work to protect the citizens of Alabama and provide, ethical and quality care benefits to your patients.

It is very important for the Board Members to work together with the state associations while adhering to the Chiropractic Practice Act and Regulations. I have discovered it is not always easy to wear the Board Member hat rather than the Doctor's hat while conducting Board business.

I urge each serving member to be ethical and professional as they regulate and license doctors of chiropractic and clinic owners in order to protect the people of Alabama.

Best wishes to the Board and Happy New Year to each of you.

Thank you,  
**Ron Wheeler, DC**  
President ASBCE

We enter these documents as received and when you are ready to renew in August if everything has been submitted you will simply log on and renew. This can save you time and worry once the Renewal Application opens. Make it one of your New Year's Resolutions to be proactive this year and get all documents required for renewal submitted early!

**You may click the link below to check your hours on file.**

After the renewal opens for the following year you can no longer log back in to print your card/permit for the previous year. We received several calls this year from licensees who did not print their cards last year and the only way to obtain your card after August 15th is to renew for the coming year and print the new card.
